WPSA Nearly New Uniform Shop

The Warwick Preparatory School Association (WPSA) runs nearly new uniform sales on a regular basis throughout the year. Dates for these sales are published in the school calendar and in the WPSA section of the school website. Information on how to sell uniform through the Uniform Shop is located on the school website.

Uniform regulations

Compulsory uniform items are expected to be worn as part of our school's requirements. This includes outer garments such as a school coat and blazer. The navy blazer is a transitional item that can cross over from Pre-Prep (unisex style) into Prep, and from Prep (tailored style) into King's High. The blazer is a year-round requirement that should be worn every day. The Pre-Prep navy summer dress is a transitional item that can cross over into Prep.

In the Prep department, pupils are expected to wear a revere neck blouse; please do not purchase a closed-neck collar blouse. These can be purchased directly from Clive Mark or from Marks and Spencer, if preferred.

Trouser uniform

Should your child wish to wear the summer or winter trouser uniform, shorts must be smart, tailored and dark grey or charcoal. Cargo shorts will not be permitted. Please visit the link below for recommended shorts.

Shorts: Marks and Spencer

Trousers must be purchased directly from Clive Mark to ensure consistency. Other designs or shades of grey will not be permitted.

Hats and caps

Hats are not required for Prep pupils although, in winter, it is the expectation that the crested navy beanie is worn, if required. Earmuffs are not a replacement for hats, although plain navy earmuffs can be worn with the crested navy beanie for extra warmth in the winter.

Hair and jewellery

Hair that is shoulder length or longer must be tied back with plain hair accessories. Pupils are not permitted to wear jewellery of any description; pupils with newly pierced ears will not be allowed to return to school wearing earrings. Watches may be worn from Year 3 – Year 6; these may be analogue or digital. Smart watches, that are also communication or recording devices, are not permitted. Make-up and nail varnish is forbidden.

Footwear

All pupils are expected to wear plain, black shoes for school; patent or leather is acceptable. These may be lace-up, Velcro or buckle-up designs, with a closed toe and low heel. Slip-on shoes are not permitted for safety reasons. Non-slip soles are recommended. Pupils may not wear shoes with flashing lights or hidden compartments for toys.

It is an expectation that pupils do not wear trainers unless they are wearing their PE kit. Trainers should be predominantly white.

Summer and winter uniform

Summer uniform is usually worn from the beginning of the summer term, although is optional until the May half term, after which it is compulsory. Summer uniform is also optional during the autumn term until the October half term. Winter uniform is compulsory from the autumn half term through until the Easter break.

Lost property

Please ensure all items of clothing are named, including socks. Lost property can only be returned to the owner if we know to whom it belongs.

Uniform check

We advise parents to check the care labels on all garments before washing and drying to ensure proper care.
